

The Lion's Gate Pines Lodge website (<http://www.lionsgatepines.org>)

You are encouraged to submit your Sale/Rental/Trade request as far in advance as possible. Both online and fax options are available for your use. We attempt to promptly assist all owners and guests with every request. All requests are housed in our database and in situations where time is short you may be contacted directly by the Database Administrator about available options in response to your request.

While **extremely short time frame rentals or trades** are sometimes possible, they are unlikely to be completed unless a last minute opportunity occurs. Weeks 11, 12 & 13 are now very popular due to school "Spring Break".

The Lion's Gate Pines Lodge website (<http://www.lionsgatepines.org>) contains a volume of information to assist owners and guests. The calendar document (<http://www.lionsgatepines.org/pdf/calendar.pdf>) contains the dates of use for the prior year, the current year and four future years. Week 52 sometimes contain a **bonus week** due to the first week of the New Year starting on the first Friday of each year.

On the top of the website are the navigation tabs. Under **Units** there are five categories of information.

For sale by LGP (<http://www.lionsgatepines.org/available.asp>)

These are units owned by LGP and are currently available for purchase, rent and/or trade. If you have an interest in one or more of these weeks please use the **contact us tab** at the Lion's Gate Pines website. <http://www.lionsgatepines.org>.

For sale by owner (<http://www.lionsgatepines.org/availableowner.asp>)

This area contains a listing of all privately owned weeks for sale. If you are interested in purchasing, renting or trading for a privately owned week, contact the owner directly.

For rent (<http://www.lionsgatepines.org/unitsrent.asp>)
